COPYRIGHT AGREEMENT

Preliminary manuscript title (may be modified in the final printed paper):

**Is the type of soil an important factor determining the local abundance
of carrion beetles (Coleoptera: Silphidae)?**

Author(s): Pavel JAKUBEC and Jan RŮŽIČKA

Copyright for the final formatted article published in the *European Journal of Entomology* (*EJE*) belongs to the Biology Centre, Institute of Entomology. You hereby authorize the Institute to use all copyrighted material contained in the article named above. You also warrant that the article has not been previously published and contains no materials the publication of which would violate copyright or other rights of a third party.

Notwithstanding this copyright agreement, you:

- 1) May reproduce the work in reasonable quantities for internal non-commercial use, such as classroom teaching.
- 2) (Authors.) May use your original illustrations, photographs and tables in future works of your own, with proper acknowledgement of the original publication.
- 3) (Authors.) May include the work as part of your dissertation, for non-commercial distribution. If the dissertation is to be placed online and if the article has not yet been made freely available on the *EJE* web site, the authors or institution are required to pay for free access to the article. (Please note that all articles are made freely available on the *EJE* web two years after publication.)

The authors are responsible for knowing who holds the copyright for their works, and they must ensure that this agreement is signed by all copyright holders (authors or authorized institutional representatives). If signed by one author only, that author is responsible for the assent of any non-signing copyright holders.

☐ Check here if this paper contains only material for which copyright protection is unavailable (for instance, if the *entire* paper was created by officer(s) or employee(s) of the United States Government as part of their official duties under Title 17, Section 105 of the United States Copyright Law).
